

Lesson 10: The sharp sign and the pause sign

This is a sharp sign: #

If you see a sharp sign next to a note it means that it is raised by one step - so you play the note immediately to the right (this is usually a black note).

Scarborough Fair

Are you going to Scar - bo - rough Fair?

Par - sley, sage, rose - ma - ry and thyme. Re -

mem - ber me to one who lives there.

She once was a true love of mine.

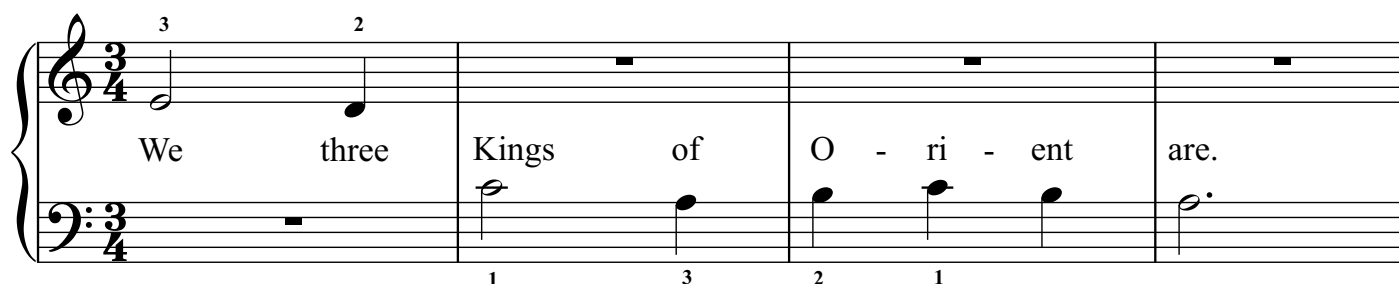

Scarborough Fair is a traditional English ballad that is probably several hundred years old. It tells the story of a visitor to the Yorkshire town of Scarborough.

Try to play very smoothly, joining up the notes. The musical word for this is **legato**.

The pause sign

If you see a pause sign above a note it means that you should hold that note for longer. In other words, you pause on that note - it's up to you to decide how long!

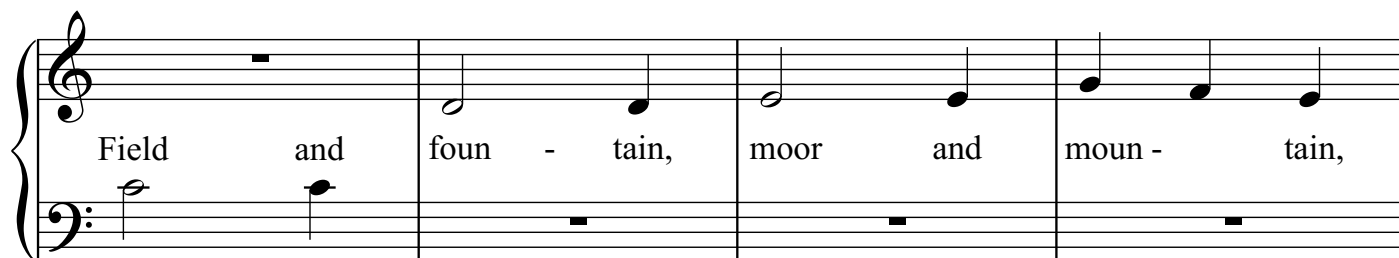

We Three Kings of Orient Are

We three Kings of O - ri - ent are.

Bear - ing gifts we tra - verse a - far.

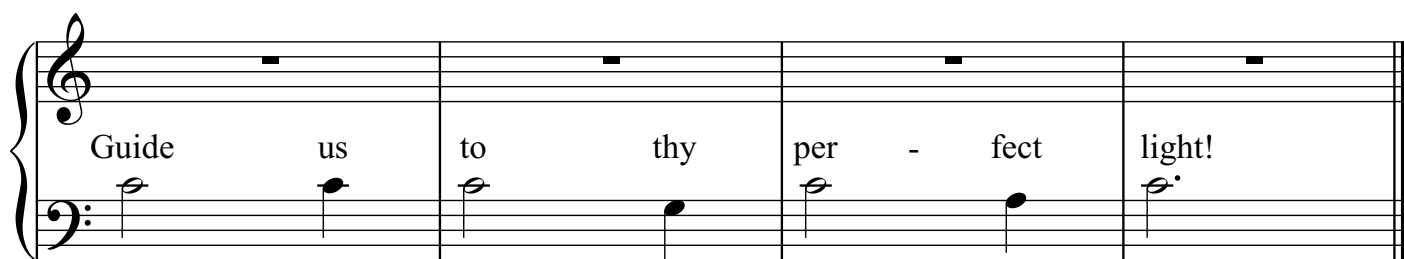

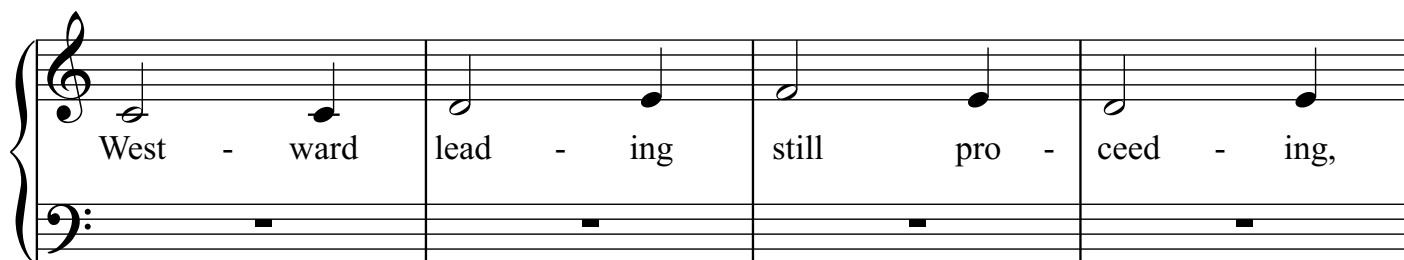

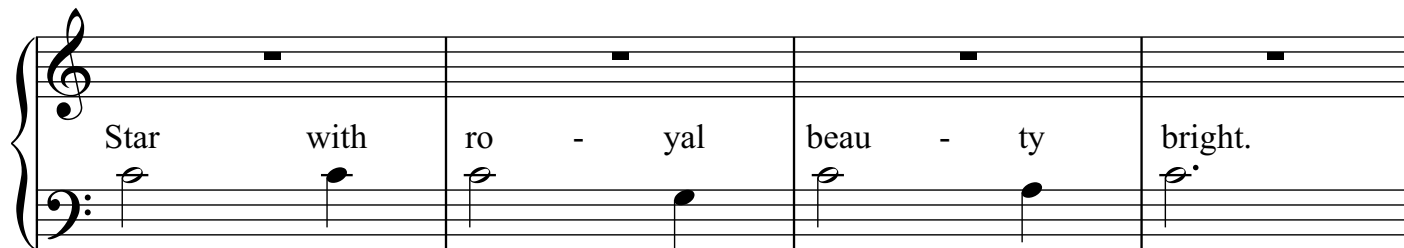

Field and foun - tain, moor and moun - tain,

The written value of this note is just one beat, but you should hold it for longer.

Foll - ow - ing yon der star. Oh - -

What can you remember?

Tip: different note values have different names depending on whether you are in the U.S. or the U.K. Here is how to translate from British to American:

- *semibreve* is another name for a *whole note*
- *minim* is another name for a *half note*
- *crotchet* is another name for a *quarter note*

1. Draw these RIGHT HAND notes:

a crotchet D a minim E a dotted minim F a semibreve G

/8

2. Draw these LEFT HAND notes:

a crotchet B a minim A a dotted minim G a semibreve F

/8

3. Draw these rests:

a crotchet a minim a semibreve

/6

4. How many beats are in each of these notes:

a crotchet (quarter note) =

a minim (half note) =

a semibreve (whole note) =

a dotted minim (dotted half note) =

/4

5. Draw a sharp sign just to the left of every F:

/4
